## **LONGER TERM ACTIONS**

Monitor students for signs of continuing distress

If over a prolonged period of time, a student continues to display the following, he/she may need assistance from the Health Board. Constant communication with family is essential.

- Uncharacteristic behaviour
- Deterioration in academic performance
- Physical symptoms — e.g. weight loss/gain, lack of attention to appearance, tiredness, restlessness
- Inappropriate emotional reactions
- Increased absenteeism

Evaluate response to incident and amend Critical Incident Management Plan appropriately

- What went well?
- Where were the gaps?
- What was most/least helpful?
- Have all necessary onward referrals to support services been made?
- Is there any unfinished business?

Formalise the Critical Incident Plan for the future

- Consult with NEPS Psychologist
- Inform new staff/new school pupils affected by Critical Incidents where appropriate
- Ensure that new staffs are aware of the school policy and procedures in this area
- Ensure they are aware of which pupils were affected in any recent incident and in what way
- When individual pupils or a class of pupils affected by an incident are transferring to a new school, the Principal should brief the Principal of the new school

Decide on appropriate ways to deal with anniversaries (Be sensitive to special days and events)

- Anniversaries may trigger emotional responses in students/staff and they may need additional support at this time
- Acknowledge the anniversary with the family
- Need to be sensitive to significant days like Birthdays, Christmas, Mother's Day, and Father's Day
- Plan a school memorial service
- Care of deceased person's possessions. What are the parent's wishes?
- Update and amend school records

## **Incident in the Community:**

We have a number of factories in our area so the following actions will be taken if an incident occurs in one of them that threatens our school staff or children:

- Children will be kept inside with all doors and windows closed until we receive advice from An Gardaí as to what is best to do.
- Parents will be texted to keep them updated
- In the event of the need to evacuate, children will be moved by bus to either Eastgate car park or to The Sports Complex. Parents will be advised by text where to pick up their children from. Teachers will have class lists to ensure every child is accounted for.

- In the event of an early morning incident, the Principal may close the school and will inform parents by text.
